

THE PILGRIM SONG

(Joel Limpic)

F#/A# B C# D#m
We're all pilgrims on a journey to the house of God
F#/A# B C#
To that holy city, the place where we were born
F#/A# B C# D#m
We're coming with our burdens, we're coming with our doubt
F#/A# B C#
Yet we come with expectation that You'll meet us here somehow

B C#
For Zion is our home
F# C#/F D#m
And Jerusalem is our resting place
B C#
It's here we find our strength and our hope
F# C#/F D#m
In the God who made the heavens and the earth
G#7 B
We come to worship You

As we climb this mountain, we set our hearts above
Past all of our conditions, to the One who made it all
For though this world is shaking, this will never change
That You, oh God, are faithful, it's You who seeks and saves

F#/A# B C# D#m
We're coming to remember the story of a God
F#/A# B C#
Who ran to us even when we turned our backs on him
G#m F#/A# C# D#m
So with voices raised and hands held high we'll celebrate you here
F#/A# B C#
Amazed at how You've come through, You make all things new
G#m F#/A# C#
So with voices raised and hands held high we'll celebrate You here

B C#
For Zion is our home
 F# C#/F D#m
And Jerusalem is our resting place
 B C#
It's here we find our strength and our hope
 F# C#/F D#m
In the God who made the heavens and the earth
 B C# F# C#/F D#m
Zion is our home, it's our home, our hope

B C#
Our hearts will find no rest until they find their rest in You
 F# C#/F D#m
Our hearts will find no rest until they find their rest in You
 G#7 B G#7 B
We come to worship You, we come to worship You
 G#7 B
Oh God, we worship You

F#/A# B C# D#m
Our hearts will find no rest until they find their rest in You
 F#/A# B C#
Our hearts will find no rest until they find their home in You
