

# AROUND YOU

*(Joel Limpic, Don Chaffer)*

## Capo 2

Bm  
With all around me crumbling  
G  
You're the one true thing that keeps on standing  
Bm  
With all around me dying

You're the one true thing that keeps on living  
Bm  
With all around me choking  
G Bm (A on 2<sup>nd</sup> time through)  
You're the one true thing that keeps on breathing

Bm  
With all around me taking

You're the one true thing that keeps me giving

G  
You're the one true thing that keeps me kneeling  
Bm  
With all around me screaming  
G Em  
You're the still soft voice whispering to me

D A Bm A  
*So I build my life around You, within You*  
D A Bm A

Cause the flowers will fade

And grass withers away  
Em A G  
But the word of God, it lasts forever
